Responding to an Advertisement, She Crossed an Ocean to Meet a Total Stranger and Became a Mail-Order Bride...Kathleen O'Malley stood on the deck of the Barreth Lily and watched the land she'd called home for more than a dozen years slip from her view. She had thought she would be glad to see the last of it, but she was not. Emotions in turmoil, her whole being yearned to slip from the ship and return to what she knew. Even though Kathleen had not been happy with her situation, it was all she had ever known. As the shoreline faded into the morning mist, her only certainty was that she was bound for America to marry a man whose name she did not even know and whose face she had never seen. On the other side of the Atlantic, Donnigan Harrison anxiously awaits Kathleen's arrival on a prairie farm far from her port of arrival in Boston. He has known the wonder of a dream fulfilled--a snug frame cabin, the sturdy log barn and outbuildings, a fine herd of livestock, and crops in the field that made his eyes sparkle. Yet Donnigan felt a loneliness on the western frontier that pierced his very soul. With so limited opportunities for finding a wife, the notion of ordering a wife that once seemed unthinkable had come to make some sense. Now that the time has come, Donnigan feels like a small boy waiting for Christmas. But Donnigan's anticipation is overshadowed with terrifying uncertainties--What have I done?

Five Stars

By Sharon

I loved it ... It was hopeful for the hopeless ... as far as relations with the opposite gender.

0 of 1 people found the following review helpful.

4 stars is pushing it, but it's not worth 3.

By MAB

"A Bride For Donnigan" was one of the better books by Janette Oke, and started out very interesting. But, there are some hills of good and bad. First off, I found everything too perfect and sugar coated. What are the odds of Donnigan and Kathleen getting along? Much less, falling in love? It might happen, but it would take time. Which leads me into how Oke didn't express how much time goes by, nor the age of Donnigan. We don't know much of anything about Donnigan. Towards the end, the total point of this book was gone. I was hoping for more about their marriage, and the trials and tribulations of it. I did enjoy the characters,

nonetheless, and did care about their outcome, but Donnigan seems too good to be true. I'm also glad that a book was finally written about this subject, even if it was just a storybook romance. It still doesn't beat "Roses For Mama," but is good all the same. I recommend.

Thought-provoking, enjoyable, witty.....

By TNreader

This is my sixth Janette Oke book to read. This book, hands down, is the best Oke book thus far. Characterization is developed to the point that you can feel the nervousness both of the main characters (Donnigan and Kathleen) experience as they made the decision to sign up and follow through with the idea of the mail order bride. You can feel the anxiety Kathleen experienced with the haystack fire and also with the loss of Taryn. Donnigan's search for God's plan of salvation was thought-provoking as we take the presence of churches / Bibles / pastors as a way of life. Interspersed throughout the book were bits of humor and wit. "A Bride for Donnigan" is an all round great book.
