“The argument whether we exist is over. We are communicating with many people on the planet”

Alien Interaction – Is direct communication with extraterrestrials – “They explain how they see us, interact with us, and wish to support us.” The energy around us (The Grid) is explained, and how to interact with your guide, extraterrestrials and interdimensional energies.

Different races of extraterrestrials have contributed to these writings. Some have a good understanding of the English language, others do not. Others struggled to place sentences together. The beings that came, had to choose the words they could find, like looking through a “jigsaw” for a piece to a puzzle. The intent and energy of the words speak for themselves.

These words have been given to the group over two years of sittings.

This cutting edge information has taken two years of constant communication. The Extraterrestrials speak about spiritual concepts. They discuss Healing, Energy, Channelling, Meditation, Ascension, 2012, The Future and Inter Dimensional Entities.

Chapters of the book are:

- Chapter One - New friends
- Chapter Two - Symbols and Keys
- Chapter Three - Spirit Realms
- Chapter Four - Channelling
- Chapter Five - Circle Logs
- Chapter Six - The Inner guide
- Chapter Seven - Answers
- Chapter Eight - Earth Chemists
- Chapter Nine - Contacting your guide
- Chapter Ten - Dimensional Entities
- Chapter Eleven - Meditation
- Chapter Twelve - Energy constructs
- Chapter Thirteen - Mediumship
- Chapter Fourteen - The future
- Chapter Fifteen - Dimensional Friends

Note: The way the extraterrestrials speak is different to the normal flow of a sentence structure, all words carry a “vibratory form” if the words are changed to “suit” current grammar structures, the intent of the words are changed, then the energy of the words are changed as well. So when reading, please remember this.
