'Freeman manages to be both scathing and serious about being awesome in a way no British writer could ... The writing is fresh, original. It is tempting to gorge on this collection at breakneck speed. But it works better as a series of witty polemics on women's place in society' *Observer* 'Reading this memoir-cum-conversation is like sitting in a pub with a group of girlfriends, setting the world to rights and suddenly becoming aware of another group talking about the same issues - hair removal, abortion, the tyranny of tiny knickers, the state of female sexuality - only they are more raucous, cooler, ruder and more intellectually engaged' *Sunday Times* 'Freeman writes with real passion and cold fury ... and she writes warmly and kindly about dating, sex and how to cope when all your friends suddenly disappear into the baby-making void ... it's good to know you have someone that fearless, funny and - yes - awesome in your corner' *Stylist Magazine*, *Book Wars* 'Though angry she is rueful, though witty she admits her complicity. Fiercely she recommends books, films, female role models, sexual attitudes and nutritional advice to women marching along the high road towards redemption' *The Times*

BE AWESOME: MODERN LIFE FOR MODERN LADIES BY HADLEY FREEMAN PDF

Hadley Freeman, Guardian features writer and author of the popular 'Ask Hadley...' column, reminds the modern lady to 'Be Awesome'.

'Being single is often awesome. You can leave a party when you want to, whether that be 9pm or 9am; you don't have to live in fear of ever hearing yourself described as "my better half"; and you can spend all day lying on the sofa in your pajamas watching "Murder She Wrote" and eating peanut butter straight out of the jar'

Covering topics vital for any modern woman to consider (from 'How to read women's magazines without wanting to grow a penis' to 'Beyond the armpit: a guide to being a modern day feminist'), 'Be Awesome' tackles body image, sex, dating and feminism head on.

With an attitude that is unfalteringly funny, smart and surprisingly heartwarming, Hadley Freeman is a voice of sanity that every woman should hear.

Be Awesome is Awesome

By Kathryn Brown

I love this book! "Be Awesome" is a highly entertaining and literate exploration of the social pressures and intimate concerns of many young women today. Hadley Freeman's brilliant wit, honesty and courage shine throughout as she encourages the reader to lay claim to a more authentic sense of self. I highly recommend this book to women of all ages. For those of us who blazed a feminist trail in the 1960's and 70's, it is an eye opening glimpse into the contemporary landscape our efforts have helped to create.

A must-read for modern ladies

By Bárbara MRT

I came across this book in a fashion magazine (of all places, you will understand if you decide to read it) and decided it should be an interesting book to read. I was right. This book mix of humor and life lessons is really good and it covers everyday topics that a lot of women might want to discuss or at least have questions about. In the end, a great book!

awesome book, awesome author

By jgh

Wish I had this book when I was in my teens/twenties. Hilarious but also thoughtful and thought-provoking. I found myself laughing out loud on the train but also wanting to underline much of what this author has to say about being a young woman in today's world.
