Most helpful customer reviews

2 of 2 people found the following review helpful.

Thorough, clear & concise

By C. Matra

Bravo! Excellence in every aspect, Dr. Corman's thorough coverage and clarity transcends all other publications covering colorectal surgical procedures. Bravo, also, to illustrator L. Barnes. Beautiful illustrations! (Never thought the day would come when I'd refer to anything colorectal as 'beautiful'!)

2 of 2 people found the following review helpful.

excellent again

By A Customer

Newly expanded with greater emphasis on techniques and very current references (1997). Dr. Corman review the current data in a concise fashion and then adds his opinion clearly labeled as such.

0 of 0 people found the following review helpful.

spectacular...!

By L. Canyurt

This book is really a collection of valuable information.

Thanks to Marvin L Corman.
