Author Joshua Gold helps readers contemplate how they see religion and spirituality in their own lives and appraise how their own spirituality sways who they are as clinicians and what they do in the provision of mental health services for their clients.

What reviewers have to say about Counseling and Spirituality

“This text is an impressive effort at integrating a complex and largely ignored subject... It strongly encourages the counseling field to take up the challenge of accepting what the majority of clients find important, spirituality and religion, and growing in our understanding, knowledge, and appreciation of its place in the counseling process.”

--Randall R. Lyle, St. Mary's University

“The use of case examples, self-understanding exercises, and further learning allows the reader to engage in the text in a meaningful manner... More specifically, the case-study is not merely presented, but revisited at the end of the chapters allowing the reader to ponder the example while learning new information, and ultimately gain a potentially new perspective as she or he learns the outcome.”

--Guerda Nicolas, Boston College
