Review

This is an "elite bare-all" revealing true stories on country music's elite that have for the first time been made public. Whether these country music stars are being arrested on stage, skidding dress over head into the crowd, forgetting the words to the national anthem, being signaled by fans that their fly is open, or just splitting their pants during a concert, here is an inside look of what really can happen in country music. --

Not worth it

By R. Fravert

This is an magazine article that is in the form of a book. Can be read in an hour and is just not worth the price.
