Don't give your kids this book!!!!

By Alex Zamani

Pros:

- Easy to understand story for kids 8-14 probably
- Sort of vivid imagery that I can imagine the girl in the book and the life she is going through
- Simplifies the everyday happenings of kids

Cons:

- Uses negative words such as nerd, and hippy.
- In my opinion this book promotes bullying and other forms of harassment
- Extremely boring read. You can tell the author kind of threw this one together
- The protagonist tries to be "cool" in her own way by nonchalantly bullying other kids and various other things
- Definitely not a book that I would allow any child to read because of the ideas it promotes

The first few paragraphs of the book state how the main character is not a nerd but she isn't cool. These first few paragraphs show exactly what is wrong in our society by subjecting kids to lower themselves to social classes at such a young age. Kids who enjoy studying or are smart are referred to as nerds. Bully's are simply ignored in this book and there is no attempt to show kids that they need to stand up for themselves. Books like these are exactly what is wrong with America. Everyone wants to be the cool kid and this book shows one girl's struggle to become that "cool" kid. I hope you enjoyed my review and I hope it helps you make a decision about this book!

I was asked to review this product by a third-party. This is a free e-book and I promise that this is my honest

Amazing book for kids

By gloria duby

This book was amazing written by an 12 year old that did her experiences. nicknames from parents, school day and about embarrassing issues. This is pretty good for other children to read and learn possible lessons. My 9 yr old granddaughter loves this book and is at her 3rd time reading it. I hope all children could read this book. I would recommend this book to kids.

I did receive this for free to review.

Diary of a almost...not, cool girl!

By Riti Aggarwal

Almost cool Maddi is not much a nerd and not the coolest girl at school. She loves to give nicknames...like Mr Facebook and the others... she seems happy and energetic.

But now, she is clumsy and unstable and even Mrs Absolutely Positive (her Mom) can't stop that! And Mom, a health food freaky hippy, is volunteering at the the canteen!

Watch out as she deals with Star, MG and even Justin (Dustbin)!

And can she stop being unstable so that she doesn't do anything too bad...you know, like SMOKY dustbin?

Oops...did I say too much?

All in all, very good book.

Perfect! I loved it!

Hats off to Katrina Mahler for this awesome yet ridiculous (just joking!!!)
