FRENCH-ENGLISH PICTURE DICTIONARY (FIRST BILINGUAL PICTURE DICTIONARIES) BY CATHERINE BRUZZONE, LOUISE MILLAR PDF

It's never too soon to start teaching boys and girls a second language, and this book presents pages filled with cheerful color pictures that help teach French words to English-speaking children in early grades. It presents more than 350 illustrations of familiar objects, with nine pictures on each page. Every picture is labeled with its English word, followed by its French equivalent. The translated word is followed in turn by a phonetic spelling in smaller type. Words are grouped according to themes, such as Sports, The Classroom, Fruit, Vegetables, Party Time, Weather, and many others. For example, the nine illustrations on the Sports page show pictures with bilingual labels for football, table tennis, skiing, fishing, gymnastics, athletics, cycling, swimming, and basketball. Here's a fun way for younger English-speaking children to build a basic vocabulary in French.

4 of 4 people found the following review helpful.

Two Stars

By Helena

Includes an absolutely irritating pronunciation guide next to every word. Ruins the book.

4 of 5 people found the following review helpful.

Godawful pronunciation guide

By Pooky

This book has little pictures and the English and French word below. The French word pronunciation is also listed. The person who wrote this is horrendous at crafting pronunciations - if you pronounce anything like it directs you to, your kid will sound like they learned French from a deaf foreigner. In Minnesota public school I learned better French pronunciation! I was conflicted as to whether I should throw the book away or just get rid of the pronunciation part and I ended up using a Sharpie to permanently draw over them. Don't get this particular book - if you want your baby to learn French, there are many other options out there.

So it's a lot of fun going through the pictures and reading the words to ...

By Joelle M. Henderson

My (2&1/2 yr old) granddaughter loves it. She understands French, but only speaks a few words yet. So it's a lot of fun going through the pictures and reading the words to her, which reinforces the ones she already knows and helps her discover some new ones.
