The soft file indicates that you have to visit the link for downloading and install then conserve Hannah Both Ways By Rosie Greenway You have actually possessed guide to review, you have postured this Hannah Both Ways By Rosie Greenway It is easy as visiting guide shops, is it? After getting this short description, hopefully you could download one as well as begin to check out [Hannah Both Ways By Rosie Greenway](#) This book is extremely easy to check out each time you have the leisure time.

HANNAH BOTH WAYS BY ROSIE GREENWAY PDF

A devastating Twitter prank yanks Hannah out of the popular crowd and turns her into the high school's best bad joke. Determined to finish the year and graduate, Hannah must keep the humiliating details from her impulsive mother-who just might pack up their belongings and move. Again. Hannah hovers below the radar by submersing herself in a new routine. Post-it notes, Dewey Decimal numbers and carefully planned trips to the library are her refuge. That is, until a persistent new student invades her space. Lucas has complete disregard for Hannah's cynicism and snark, and he seems to know the bullies who targeted her. Can Hannah trust him, or is he part of another ploy to torment her?

I applaud the author for creating an outstanding story that deals with a very difficult subject.

By Tamara B.

Hannah Both Ways is a story of one high school student who is a victim of cyber-bullying and how she deals with the aftermath of social media bashing and untrue nasty rumors.

I really admired Hannah because even though her world was crumbling, she stayed strong and resilient. The most admirable aspect of Hannah is she never gave up – she realized that this was a temporary problem in her life and did not even contemplate a more permanent solution. I also loved her snarky words, her wittiness, and most of all her social awkwardness. Hannah is a character that I truly liked and rooted for until the very end. Her ritual with the Dewey Decimal System was ingenious and I thought it was a great way for her to have a goal for each day.

Lucas was indeed a God-send that came at the perfect time in Hannah's life and I was so happy that he had the patience of a saint when it came to dealing with Hannah's cynical and untrusting ways. These two made the perfect duo and rounded out the story perfectly.

Reading this book took me back to my high school days and reminded me that kids can be cruel and heartless – it seems some things never change. Add the social media outlets and I am beyond thankful that these outlets weren't around in my day. Some kids have no idea how their hateful actions affect others or if they are aware, they flat out just don't care. This story depicted verbal/written bullying perfectly and I applaud the author for creating an outstanding story that deals with a very difficult subject.

I would absolutely recommend *Hannah Both Ways* not only to young adults but older ones as well. It's a great way of bringing cyber-bullying to light and showing a positive outcome to a dismal situation.

*I received a copy of this book from the publisher in exchange for an honest review.

Solid Gold!

By savingsinseconds

Move over, Augustus and Hazel Grace. There's a new book couple on my radar now. *Hannah Both Ways* is solid gold. No matter your experience in high school, the story will hit home. While I adored Hannah and all of her idiosyncrasies, Lucas was the character who completely stole my heart. He handled life with the skill of an old soul; that is, he was wise beyond his years. Lucas and Hannah shone like stars in the YA couples category. The secondary characters were noteworthy, too. Author Rosie Greenway clearly put her experience as a high school teacher to work in this novel. Her depictions of peer pressure, bullying, and social hierarchy were spot on. Social media spreads rumors like the plague, and Greenway used that to her advantage when building, or rather, tearing down Hannah's character. I work with children like Lucas every day, and really value the voice Greenway gave him. Rarely do I dole out 5 stars, but this book deserves it! Count me in for Greenway's next book. It can't come too soon. I received this book as part of a book tour; opinions shared are mine.

You'll love *Hannah Both Ways*.

By Tosha Michelle

Imagine being in highschool and the subject of a Twitter prank gone horribly wrong. Imagine being ostracized as a result. How would you cope with being shunned? Would you trust the new hot guy who seemly see through your hurt and snark? Would you give him a chance? Is he being genuine or just another bully?

These are the questions asked and answered in Rosie Greenway's debut novel. *Hannah Both Ways* is a cautionary tale, a romance, and a coming of age book. It will capture you from the first sentence.. Greenway has created a strong, feisty, resilient lead character. You'll be mad about Hannah, and mad for Hannah.

Greenway knows her way around prose, witty dialogue and teenage angst. She's destined to become one of the greats in the YA genre. This is a must read for anyone who loves the well written.
