HUSH LITTLE BABY BY JAMES CAROL PDF

FBI profiler Yoko Tanaka is in Florida helping the local PD with their "Sandman" case. Three mothers and their daughters have been found murdered in their homes, the mothers brutally stabbed while the little girls have been smothered, posed to look like they're sleeping.

Defying protocol, Yoko makes a detour to entice Jefferson Winter to join the case. All Yoko knows is that he's the only person who can help her before the Sandman claims another two victims....

Highly recommend this series.

By Avid

I have read all of the Jefferson Winter novels by James Carol and would recommend them all. I love that the Jefferson Winter character is intriguing and unpredictable and so interesting - a psychopath working with the police to catch serial killers. Can't wait for the next installment.

Short, snappy and well written novella. Love Jefferson Winter!

By Booklover Catlady Reviews

After loving Broken Dolls by James Carol, I grabbed this short novella to see if I could get more of Jefferson Winter, and yes I did! He really is a fantastic character, so many elements of light and shade in him. Conflicting aspects. Very intriguing.

Being a short novella I was expecting a bit more punch than what this delivered, it was a good short read but didn't get my heart rate up like Broken Dolls did. It does however give a bit more background on Winter as a character.

FBI profiler Yoko Tanaka is in Tampa, Florida helping the local PD with their 'Sandman' case. Three mothers and their daughters have been found murdered in their homes. The mothers have been brutally stabbed while the little girls' have been smothered in their beds and posed to look like they're sleeping.

Defying FBI protocol, Yoko makes a detour to Sarasota to entice Jefferson Winter to join the case.

Winter helps Tanaka profile the serial killer tagged The Sandman, she's risking her job asking him to help her but knows his brilliance is needed to crack the case. Do they find this cold blooded killer? They might,

they might not, that's the beauty of reading the book, you need to do that as I am not telling you how it ends.

This is a middle of the road crime read for me, good enough to keep me interested but a shade of getting me really excited. It does have the darker element to it that Broken Dolls does. I am keen to read a lot more from this author and extra excited about seeing Jefferson Winter grow as a character.
