Worth the wait and putting up with Amazon's technical errors...

By Lovin' Kitties

IMPORTANT: THE PARTIAL DOWNLOAD IS AMAZON'S ERROR - not the author's error. I am one of Ms. Gayle's readers who received the partial download. It was a surprise, but I contacted Amazon customer service and they were more than happy to help.

Yes, I gave the book 5 stars before finishing it because it's that good. (I'm about 20 percent of the way through it.) I'll update this as soon as I've finished reading the book, but I don't anticipate the rating will change - not if the first 20 percent is any indication.
