MATERNAL AND NEWBORN SUCCESS: A COURSE REVIEW APPLYING CRITICAL THINKING TO TEST TAKING (DAVIS'S SUCCESS SERIES) BY MARGOT R. DE SEVO PHD PDF

Perfect for course review now...and NCLEX prep later!

1,263 questions address all of maternal/newborn nursing class content. 1,013 questions in text are followed by a comprehensive 100-question test. And as a bonus, there's a CD-ROM with two final exams of 75 questions each. The questions reflect the latest NCLX-RN test plan, with a focus on content related to physiological integrity. All questions in the final exam and on the CD include rationales for both correct and incorrect answers.

Excellent Book and series!!!

By Kamsmommy

I love all the success books and purchase a new one as I progress in my clinicals!! They are truly a must have for me and I use them more than I use the required textbooks. They really help me understand the material and not just memorize facts. It helps you apply what you are learning to actual situations. There are tests with rationales of why the correct answer is the best answer and the others are wrong or not as good as the correct answer. The questions are NCLEX style and I will be keeping all the success books to study for my NCLEX when I am done. These books have definitely helped me get great grades so far in clinicals. Even if I only use the book for one semester it is worth every penny for me.

3 of 3 people found the following review helpful.

Great for Nursing Students

By SolarJoy

I love these Davis Success Books. They are a fabulous study tool for class and for the NCLEX. I have been buying them for every nursing class and they have been very helpful. The CD itself is worth the money. I highly recommend these books to every nursing student needing a little help with NCLEX style questions.

Great book

By Jennifer Dudley

I have bought all of these books for each semester in nursing school. I love them. I find them very helpful. The rationales for the questions and answers really help me when I am approaching the tests in my classes. I recommend these to all my friends and most of them have bought them as well.
