Norway's version of tales collected by the Brothers Grimm

By Barbara St Aubrey

Folk tales are always an interesting excursion into another culture - and like most tales they are filled with hidden advise and comments on morality. These tales may be for older children but they spark the interest of any adult looking for some fantasy.

gosh what can i say

By mamabear

absolutely great book. so happy i got it. i read it to my son and it draws his attention even though he's just 4 months. great stories with humor and lore.
