“Onassis, as he emerges from these pages, is superb...Onassis was a phenomenon in our time, combining money, power, intelligence, a zest for humanity, and, I suspect, a deep-seated humanity...Onassis was, above all, a man...Brady provides many insights into the attitudes of the man.” The New York Times Book Review “Onassis was a hard-driving ambitious man who went after whatever he wanted and usually succeeded...He was a shrewd businessman who knew how to charm people, how to entertain them, how to sweep them off their feet and into his corner...Brady is to be commended for coming up with such a probing study.” West Coast Review of Books “A life that so excels most fiction...For Onassis’s lifestyle, Brady’s is the better source.” The Washington Post "For the people yearning to read about the feud with shipping magnate Stavros Niarchos, the affair with diva Maria Callas, the marriage to Jackie Kennedy, the friendship with Winston Churchill, and the quarrel with Grace Kelly and Prince Rainier." Publishers Weekly "Glamorous ... more like a novel than a biography ... illuminates the paradoxes in Onassis' life." Newsday "A fast-moving biography of a robust, colorful life ... detailing the Greek's penchant for beautiful women ... An unblinking appraisal of a power-wielder and his vulnerabilities." The New York Times "Laughing and conniving and handing out diamond necklaces, the man had something life-giving ..." Chicago Daily News

This book was an easy read with a good deal of content about the life and business ventures of Aristotle Onassis. I've read several books on Mr. Onassis, and this was one of the best. Besides his amazing intellect, business acumen and lust for living, I was especially impressed by his adoration of Winston Churchill. Onassis was a force of nature and he lived life on his terms. I highly recommend this book.

A very interesting and complex man. I knew very little about Onassis but found this book so well written that I now feel I know the 'man' not just his money making ventures. He was strong-willed, very competitive and highly intelligent. None of his wealth was inherited and although some of his dealing may have been 'shady' he was truly a self-made man. Although he had money to buy everything he desired, I don't think he had much happiness in his life

Onassis the man

By sylvia

Lacked a lot of details on his life .. his terrible treatment of his daughter and also it was he who made Monaco ... it was bankrupt until he came along and also introduced it to the big stars of Hollywood .. it was even said it was he who introduced Grace Kelly to the Prince .. she an American\ heiress as well as film star .. I was surprised to learn how well he and Jackie got along .. the perception has been she only married him for the money and privacy he could provide ... but here we see she really cared about him.
