Great Information

By College Football Fan

This book is a great basic book on every sport played and all rules and regulations. This should be kept as a reference for all PE/Kinesiology majors. It probably needs more illustrations and photographs, but it is pretty good.

0 of 0 people found the following review helpful.

Book in good shape

By mark

Book arrived on time and as described

A very useful book every Phys Ed major should have one

By Randy

A very useful book every Phys Ed major should have one. I had copy of the 6th edition in college. Was very glad to update.
