So, the means for you to get this Rock Hudson: The Gentle Giant By David Bret will be so easy, won't you?

ROCK HUDSON: THE GENTLE GIANT BY DAVID BRET PDF

Since David Bret published his best-selling Rock Hudson biography in 2004, two key figures in Rock's story-his wife Phyllis Gates and his last lover, Marc Christian-have died, allowing a great deal to be told which could not be told whilst they were alive. In this much-revised biography, Bret discusses every aspect of Rock's life: parental abuse, discovering his sexuality while in the Us Navy, his scores of male lovers, his prostitution to agents and talent scouts, the hidden truth behind his lavender marriage, his battle to conceal his sexuality from the media, his involvement with San Francisco's gay scene, and the tragedy of his final years as the first major celebrity to contract Aids. Published to commemorate the 30th anniversary of the actor's death, in Rock Hudson: The Gentle Giant, David Bret has produced a rewarding portrait of a warm-hearted, wonderful man who, though atrociously maligned by the media back in 1985 when he died, remains revered by his millions of fans around the world.

I have just 1 question. And that is WHY ...

By ANDREA

I have just 1 question. And that is WHY did the media feel it was necessary to ATROCIOUSLY MALIGN Rock Hudson after his death. I think I have an Idea why but I wish somebody would answer this question.

0 of 0 people found the following review helpful.

I was disappointed in this book

By M W.

I was disappointed in this book. Out of his entire lifetime of achievements, all this author could focus on was Rock's sexual life. There was so much more to him than that.
