Great book, did not want to put it down

By Denise

I purchased "Secrets in the Air" one afternoon and finished it the next day. I could not put this book down. Growing up in rural Missouri, I could relate to many scenes mentioned in this book. "Secrets in the Air" contains everything I like in a book: a great plot, suspense, much humor, and of course, a tender love story. Ms. Gorrell has a wonderful way of capturing her audience and keeping them turning the pages. There were times I had tears in my eyes, other times I laughed out loud. I am anxiously awaiting Ms. Gorrell's next book.

Great Reading

By SuzyQue62

I am really proud to know this author. This was great reading. I have read a lot of different authors and I am never afraid to try a new one. I couldn't put this book down, in fact, I didn't put it down. The story was wonderful. Of course, I know St. Louis and Owensville and also Springfield, so I could relate to the story somewhat. Loretta this was a great first and I hope it won't be your last! Absolutely Awesome!!!
