Book 4 of my favorite series doesn't disappoint!

By Kim

I love this series! Book 4 of the Botros Brothers series is an awesome read. I had to patiently wait for this book to come out because this is my favorite series of Leslie North's and it was worth the wait. It was nice to catch up with Tariq, Sara, Amir and Soraya and see what they were up to. This story focuses on the brothers cousin/little sister Aaliyah and Joseph (Officer Handsome). It's a really sweet story that I will not give away but it is worth the read to find out. There were a few parts in the book that were hysterical (of course Sara was involved) and I just loved it all. You won't be disappointed. I received an ARC for an honest review. Thanks Leslie you rock!

excellent moving story

By Laurig

I loved reading this story!! It was very emotional and moving story. Joseph, a local police officer responds to a bar brawl, and instant eye connection realizes that One of the women involved is his high school sweetheart, Aliyah! He'd never settled down because he still loved her, and no one else measured up. Aliyah

realizing that the hunk was Joseph-her long time hot boyfriend and only love from school vows never to let him go. Enter her ver large and protective family and look out-watch the Sparks fly!! Very good reading.

Aliyah and "Officer Handsome"

By Janet P

Another fun read by leslue north!

I liked this book the best out of the Brotos series not only because it shows the girls strength as a whole (#girlpower) but you see Aliyahs inner courage when faced with a difficult choice.
