SHORTER ROMAN RITUAL - RITUALE PARVUM FROM MIDWEST THEOLOGICAL FORUM PDF

This is a compilation of selected rites and blessings from the liturgical texts of the editiones typicæ issued after the Second Vatican Council in the character of the former Collectio Rituum. Features include a side-by-side Latin-English format, gilded edges, a gold-stamped cover, and excerpts from the Manual of Indulgences. From the Foreword by Francis Cardinal Arinze: "Being a selection, this short ritual is primarily intended for use in the celebration of the sacraments and the administration of blessings when they take place outside the church building and the full range of liturgical books is not readily accessible. "The Latin-English bilingual format of this book facilitates the whole or partial use of Latin texts when it is pastorally prudent to do so. The presence of Latin in an otherwise English-language collection gives appropriate witness to the importance of the Latin language in the Roman Rite and is in harmony with what was stated by the Second Vatican Council: 'The use of the Latin language is to be preserved in the Latin rites' (Sacrosanctum Concilium, 36)."

Suit coat pocket sized!

By Catholicpoet

It is nice to have a ritual that can fit in my suit pocket. This contains all the major rites of the Roman Catholic Latin Rite and also many blessings as well. With a side by side English to Latin form, it allows the prayers to be said in either language.

This is very useful for visits to the sick in hospitals, or just a general travel ritual. I keep this handy on me for use in a pinch!

What about the graveside rite?

By B. Shelton

This is an excellent ritual, except for one flaw: the graveside rite is only in Latin. Everything else is Latin and English. Otherwise, everything from it's truly pocket-size to the traditional appearance is great.

A Beautiful Book

By Allan C

This is a beautifully bound book. The leather and gilded edges are outstanding quality. I so appreciate the Latin text. Call me old fashioned, but I do miss the days when Latin was the language of the Church. Thank you, Jessica, for the nice handwritten note on the packing slip.
