Awesome Reading!!!

By Tarsha J.

This book was very fast-paced...with a new spin on urban Sass...I loved Kandi's character! She was top of the line in class and beauty...like a "BOSS" is portrayed on Urban Streets. I can't wait for the next book to pick up with Jamal's dad prison release....I gave Taste Like Kandi 4 stars because it kept me reading and anticipating what was going to happen next but I am a grammar and mechanics type of reader and it slowed me down from enjoying the story line from time to time. Keita B go hard on the sequel...I can't wait to read it!

Awesome Debut

By Shawnda Hamilton

This book was a great story that was great from beginning to end.... The main character Kandi had to endure a whole lot of heart broke with losing 4 important people in her life. Her survive skills was awesome, and the girl knows how to run a business... Her Loyalty to Jamal was beyond words because even as she was told not to go back and visit she sent money to him, and wrote him letters, and never let anyone else have her heart. These Story grab me and did not let me go,and I am waiting on part 2.....
