This is the third part of the series “The Arcane Teaching” (the other two are “The Arcane Teaching” and “The Arcane Formulas”).

In this, the author analyzes VRIL, the universal principle of vital-energy, life-force, or vital magnetism, as it is sometimes called.

In many of the ancient occult treatises we find frequent reference to “Vril” not only in its sense of the principle vital energy, but also that sense of inherent usable energy which we seek to express the term “human magnetism”.

A great yet incomplete collection

By ORPHEUS

The Arcane Teaching was first published by a phantom publishing company called Arcane Concern Co. in 1909.

It was published as a single hardcover volume comprising the whole subject, likely written by William Walker Atkinson et alii.

For reasons unknown, the book was soon out of print and the company went into bankruptcy.

Years later, another publisher re-edited the Arcane Teachings, which became available once more.

This time, however, the single volume was split into a main book (The Arcane Teachings) and a series of Supplementary Booklets, in paperback form. These were, in order of publication:

- 1) The Arcane Formulas or Mental Alchemy
- 2) Vril or Vital Magnetism
- 3) The Mystery of Polarity or Sex Polarity

4) The One and The Many

So far I have been unable to find the last two supplementary volumes, either in digital or printed versions.

I gather whether the company that is now publishing these books intends to publish the last two, or whether anyone could help me find those books.

Thanks.
