[The Blood Star \(Tiglath Ashur Book 2\) By Nicholas Guild](#), Try it as well as show it.

From Publishers Weekly

Shot through with dark, exotic lyricism, Guild's majestic historical epic cuts a wide swath through ancient Assyria, Egypt, Phoenicia, Sicily, Greece. Its narrator-hero, Tiglath Ashur, seen before in *The Assyrian*, is banished from Nineveh by his hated half-brother, the Assyrian king, partly due to a misunderstanding that is not cleared up until long after the brothers are reconciled. Fleeing the king's assassins, Tiglath encounters formulaic elements of the adventure novel--sudden perils, gory battles, omens, spicy lovemaking. But Guild easily transcends genre conventions. His witty, world-weary hero grows in stature through his quest, deepened by experience and by love for a young Egyptian slave-girl whom he rescues and later marries. This saga serves up a rich, intoxicating feast, interweaving a cultural anthropology of unfamiliar lands and a stoic meditation on mortality, fate, revenge and justice, the ties of love and blood.

Almost a decade expecting

By A Customer

I bought *The Assyrian* while I was living in Panama. Back then, I was a 17 year-old guy, with my head full of dreams of greatness and ambition. I read it and immediately felt myself identified with Tiglath; I thought I was someone powerful, lucky and admired by women. I read it again a couple of years later. I felt the character grew up with me in responsibility, awareness, etc. It was OK again, yet different. Last summer, I was on a bookstore just checking the latest History textbooks (I'm a History student), when a flashy cover

appeared to me: The blood star. I picked it up and surprisingly it was the sequel to my all time favorite novel. As I was on vacation I "devoured" it in 2 nights. I couldn't stop!! I think it's better than The Assyrian. I read it as a 25 year old man, and I felt the same thing: I've been growing up with the character. I introduced this masterpiece to all my family, including my fiancée's, and they love it. Thanks Nicholas for also showing me the right career (historian, after a couple of years studying Law), and thank you for those dreams come true.

IF YOU READ THE ASSYRIAN HOW COULD YOU NOT READ THIS BOOK?

By Ronald D. Pierce

WOW, WHAT A BOOK, THE SEQUAL IS BETTER THAN THE FIRST BOOK THE ASSYRIAN, very seldom have I read any sequel that is better than the first book. I can't give Nicholas Guild enough praise for the detail and story lines that fill this book. I was carried away into the story. I found myself participating in all the events. It was as if I were living out my part in these HISTORIC EVENTS. I hated finishing the book, and decided to start with the Assyrian and read both books through again. **SOME WHERE THERE MUST BE A MOVIE MAGNET WHO WOULD LIKE TO PUT TOGETHER A MOVIE** that would put BEN HUR, EL CID, SPARTICUS, QUO VADIS AND OTHER GREAT MOVIES TO SHAME. Do the world a favor, pick up the rights to these two books and make a movie. Where are you Kirk Douglas?? Nicholas Guild, get back to your element. Your other novels don't even hold a candle to the Assyrian and Blood Star. Bring us other classic novels based on the classic historical periods of the past. Thank you for these two wonderful books.

This book rocked my world

By Titus

I cannot say enough about Nicholas Guild's two volume series concerning the loves and adventures of one Tiglath Ashur. Whether you love history, romance, adventure or a combination of all three you will be entertained and educated all at the same time.

I locked myself in my bedroom after I found this book in my local library and didn't come out again until I was finished. This book is just an incredible read. Nicholas Guild, if you're out there would you PLEASE, PLEASE write some more of this stuff.

I don't care how you do it but find this book and "The Assyrian". I promise you you will love them.
