THE RAMBLINGS OF AN AGING ANGLER BY AL SIMPSON PDF

“Ramblings” is a reflection of the author’s journey from novice to expert fly fisherman. While ultimately it is a “how to” book, most of the information is conveyed through personal stories to which fly fishers will easily relate, as they will have encountered similar dilemmas and searched for solutions while on the stream. It is further enhanced with frequent reference to the robust fly fishing literature, providing additional insights, as the same dilemmas have been faced by fly fishermen for centuries. There are nearly one hundred photographs, and several hyperlinks to short video clips. The target audience is the intermediate fly fisher, looking for a better understanding of trout behavior and their waters in order to improve his/her “game”.

This book is an excellent resource for beginning anglers

By Justin Witt

This book is an excellent resource for beginning anglers, and a very entertaining read for even for those with decades of experience on the water.

Four Stars

By Willis B. Howard

Great reference book as well as "How To" guide.

More than I wanted to know as a beginner.
