This text is an unbound, three hole punched version. Access to WileyPLUS sold separately.

The World Today, Binder Ready Version, 7th Edition is the number one bestselling brief World Regional Geography textbook. The seventh edition continues to bring readers geographic perspectives on a fast-changing world through the regional view. Restructured chapters provide a macro review of important physical, cultural, and political characteristics, drawing upon up-to-date significant world events and crises. The cartographically superior maps have been updated for the seventh edition to offer an accurate and vast picture of the world--multi-layer, interactive, GIA maps have been added to WileyPLUS Learning Space. To complement the extensive map program, the majority of the photos have been taken by our authors during their field research, allowing the student to experience an authentic geographical viewpoint of our world.
