About the Author

If the twentieth century had a praying prophet, it was Leonard Ravenhill. Few men have had a greater impact on their generation. Thousands have been called to their knees by Ravenhill's anointed ministry. His preaching was powerful but many would say his pen was more powerful. Ravenhill's *Why Revival tarries* is destined to be one of the great Christian classics. Ravenhill was born in England, travelled the world and spent his last years in the United States. David Wilkerson, Steve Hill, Bill Gothard, Charles Stanley and many, many others call him a mentor.

TRIED AND TRANSFIGURED BY LEONARD RAVENHILL PDF

Tried and Transfigured is one of Leonard Ravenhill's classic works on revival. The book has been out of print for years and reintroduced by Christian Life Books. Unlike many of Ravenhill's other books, this book deals with the temptation of Jesus in the wilderness and his transfiguration on the mount. It is as hard-hitting and thought provoking as all of Ravenhill's spendid works.

Hard punching but right on the spot!

By Whispering Wind

If you want the truth, then read anything by Leonard Ravenhill. No punches bared. He hits you with the truth and doesn't mind if he grabs your attention. I like Leonard Ravenhill as much as I do A. W. Tozer - maybe even more!
