Why don't you become the very first? Still perplexed with the means?

But, exactly what's your concern not too liked reading *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor* It is a great task that will always offer terrific advantages. Why you end up being so odd of it? Numerous points can be practical why people do not prefer to check out *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor* It can be the boring activities, the book *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor* compilations to review, also lazy to bring nooks almost everywhere. But now, for this *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor*, you will start to love reading. Why? Do you know why? Read this page by finished.

Starting from visiting this site, you have actually tried to begin loving checking out a publication *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor* This is specialized site that market hundreds collections of publications *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor* from lots resources. So, you won't be bored more to pick guide. Besides, if you additionally have no time at all to search guide *Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor*, merely rest when you remain in workplace and also open up the internet browser. You could discover this [Woe To The Women: The Bible, Female Sexuality And The Law: The Bible Tells Me So By Annie Laurie Gaylor](#) inn this website by attaching to the web.

WOE TO THE WOMEN: THE BIBLE, FEMALE SEXUALITY AND THE LAW: THE BIBLE TELLS ME SO BY ANNIE LAURIE GAYLOR PDF

Documents the bible's punitive rules and attitudes toward women. Exposes the bible's harmful stereotypes about women as sin-inciting temptresses and their treatment as male property. Examines biblical teachings about women's "nature," prostitution, sexual assault and incest, so-called uncleanness, marriage, motherhood, divorce and adultery, grooming, abortion, and homosexuality, as well as "macho" standards for men. A timely warning that the bible is a handbook for the subjugation of women, and that the only true barrier standing between it and women is a secular government.

Woe to the Women

By Tinker

This book was well written and was fluid in its presentation I don't think much was left to wonder about the bible and its poor treatment of women. I gave it 4 stars instead of 5 because there were several examples of stretching the meanings a little far which made the authors look overly reactive, in my opinion, but there was probably about 4 examples of that compared to a whole book of many examples of things that were absolutely right. This book shows why women have had an uphill battle for their rights for so long.

Excellent and Accurate

By D. Schramm

This book is very thorough. Christians who consider themselves experts (but won't read the book) could learn a lot from it. For example, in response to Tinker's four star review, Arden (who considers himself a knowledgeable Christian scholar) lectures her on the Adam and Eve account in Genesis and accuses her of

putting her "own slant on" Scripture when she says womankind was blamed for the fall of man. Arden gets Genesis right - that only Adam was directly warned, and had he read "Woe to the Woman," he would have found that's the way Annie Laurie covered it too (second and third pages of the first chapter (Creation - Eve was framed). But Tinker is right that womankind is held accountable by the scriptures: Here is last paragraph from that chapter: "The myth of Adam and Eve is thrown back into the faces of women countless times by the New Testament writers. Timothy epitomizes the way in which the story was exploited in order to oppress and blame women: 'Let the woman learn in silence with all subjection. But I suffer not a woman to teach, nor to usurp authority over the man, but to be in silence. For Adam was first formed, then Eve. And Adam was not deceived, but the woman being deceived was in the transgression.'" 1 Timothy 2:11-14.

So, you have one fellow who tells a reviewer who has actually read the book, "Tinker, you have a LOT of reading to do!" (when it appears to be the other way around). And you have another reviewer whose one star review has nothing at all to do with the book, but is an inaccurate, vicious, personal attack.

For goodness sakes, people, if your going to comment on a book, at least READ IT! This one has a lot to offer.

The Bible Unexpurgated

By Robert F. Benz

The unvarnished, unadorned, actual words of the King James translation of the Holy Bible, with the passages that no decent, sane person could possibly believe are anything but the ravings of an uncivilized tribe.
